Louisiana Citizens for Action Now

Information Alert - Advocacy Update

Thanks to everyone who attended public testimony day!

The Senate Finance Committee heard testimony from several parent advocates about the importance of funding for waivers, the Individual and Family Support Program, Families Helping Families, and Louisiana Rehabilitation Services in next year's budget ([HB1](#)). Click [here](#) to view those testimonies beginning at the 2:06 mark.

Thanks also to everyone who called and emailed your Senator in support of these services! The bill will be voted on by the committee this coming Sunday, May 25th. Due to the Memorial Day holiday, the Council offices will be closed on Monday. An alert detailing the results of the Senate Finance Committee's actions will be sent out on Tuesday.

There is still time between now and Sunday to let your voice be heard. Click [here](#) to view the full action alert on this issue.
