Contact your LaCAN Regional Team Leader or Families Helping Families Center to RSVP today! Lunch (or breakfast) will be provided.

Background Information

Budget cuts in recent years, and the budget shortfall expected during the upcoming legislative session, have put many of the programs and services available to support people with developmental disabilities and their families (i.e., waiver services, Individual and Family Support, Flexible Family Funds and vocational rehabilitation services) at risk of cuts.

Regional roundtables offer LaCAN members the opportunity to meet and share with legislators the importance of these critical programs.
