The National Council on Disability Plans Forum on Managed Care in Baton Rouge

The National Council on Disability (NCD) will be in Baton Rouge on February 12th to seek stakeholder input on Medicaid Managed Care and you are invited to attend or listen-in by phone. NCD is collaborating with federal agency representatives and disability leaders to obtain meaningful input from stakeholders into the planning and implementation of Medicaid managed care programs.

The purpose of the forum is to:

1. Facilitate input on experiences, preferences and desired outcomes for Medicaid managed care among disability leadership, federal and state agency representatives; health plans, providers, and consumers;
2. Promote the Medicaid managed care principles outlined in the NCD report, *Medicaid Managed Care for People with Disabilities* <http://www.ncd.gov/publications/2013/20130315/>;
3. Summarize and disseminate the forum proceedings and stakeholder input; and
4. Highlight NCD's Medicaid Managed Care recommendations to States, the U.S. Department of Health and Human Services Centers for Medicare & Medicaid Services, and Congress <http://www.ncd.gov/publications/2014/11042014/>.

For more details on time, place, etc., read the forum invitation from the National Council on Disability [here](#).

If you would like to attend this forum, please respond to ncdforums@gmail.com.
Dial-in Listen Only (1-877-446-3914; Code: [647593](#))

The National Council on Disability is an independent federal agency making recommendations to the President, Congress, other federal, state, and tribal entities to enhance the quality of life for all Americans with disabilities and their families.
