Change in LaCAN Emails

-- Any Questions?

You will notice a small change in future LaCAN emails. **LaCAN emails will no longer have my name (Kay Marcel) as the sender.** Rather the emails will only have "LaCAN" as the sender and the email address laCANadvocates44@yahoo.com. You will also note that questions can be directed to the Developmental Disabilities Council either through their toll free number or through the new email address.

I will remain the volunteer Statewide Coordinator for LaCAN and very involved with LaCAN's leadership and as a member. However, future LaCAN emails will be sent by the Developmental Disabilities Council.
