ACTION ALERT: Change to Public Testimony April 7th in Appropriations Committee
~~~~~

LaCAN members **DO NOT** need to go to the House Appropriations Committee for public testimony on House Bill 1 Thursday, April 7th.

LaCAN leadership were given the opportunity to speak to DHH Secretary Bruce Greenstein and Deputy Secretary Kathy Kliebert and were assured funding for the Individual and Family Support Program that was projected to be cut will be restored in OCDD's budget.

Thanks to the many LaCAN members who intended to participate in this committee meeting. Please continue to be ready to act on issues throughout the session that will impact the ability of individuals with developmental disabilities to live full lives in their homes and communities.
