

ACTION ALERT - There's Still Time to Contact House Members to Restore NOW Slots

ACT NOW to Restore NOW Slots

The House has delayed debate on the budget until Friday, May 10th so there is still time to contact your representative in support of NOW slots.

Last week, various amendments made to [HB1](#) in the Appropriations Committee, including those adding NOW slots to the budget, were rejected by the Whole House and removed from the bill.

LaCAN members are strongly encouraged to **call YOUR Representative** (or leave them a message) on the House floor **TODAY** (Thursday, May 9th) **after 11:00 am** or **TOMORROW** morning (Friday, May 10th) to request that these NOW slots be added back to the budget.

Simple message: Please add the NOW slots back in the budget.
