**MIPPA**

Louisiana Mippa Outreach Grant to outreach and assist in the enrollment process for the Low Income Subsidy Program (LIS), Medicare Savings Plan (MSP) and/or Medicare Part D. These are the "extra help" programs that assist with the Medicare premiums and co-pays for eligible participants. This could be up to an approximate \$100 savings (Medicare premium) for social security participants. For information, contact your local Council on Aging or ADRC/SenioRx. For more information, please call Michelle Guillory at 225-219-4260.

**Louisiana Answers for Living at Home**

This Administration on Aging pilot program in Medicaid Regions 2 and 7 objective were to identify individuals in danger of Medicaid spend down and nursing facility placement and offer some home and community based services. The pilots were based at the Northwest ADRC in Shreveport and the Capital ADRC in Baton Rouge.

As of November 2010, the program has served over 140 adults, spending \$687,000 on service expenses- an average cost of \$4,907 per client. Services range from home delivered meals, personal care, home modification, and more. The grant program began in October 2008 and concluded December 2010.
