## Louisiana Citizens for Action Now

### **ACTION ALERT - Visit Your Legislator**

#### **ACT NOW to Share Your Personal Story with Legislators**

LaCAN Leaders across the state are busy scheduling visits with legislators who are/were unable to attend their regional Legislative Roundtable. Leaders will be sharing facts with legislators about LaCAN's current advocacy agenda and would love for you to **join them to share your personal story** as it relates to these agenda items.

- Are you or a loved one on the waiting list and in need of waiver services?
- Have you or a loved one been denied or had your services reduced in the Individual and Family Support or Consumer Care Resources Programs due to a shortage of funding?
- Have you or a loved one benefited from the services at Families Helping Families?

LaCAN members may also be supported in sharing their stories with legislators at other advocacy events, such as rally day or during public testimony. Contact your LaCAN Leader for more information or to join a visit team today!
