

## **ACTION ALERT - Attend Yellow Shirt Day to Support the Funding of Disability Services**

**Attend Yellow Shirt Day on [Monday, April 14th](#),  
and Show Your Support for the Funding of Disability Services!**

The **House Appropriations Committee** will be meeting to hear public testimony on the proposed state budget ([HB 1](#)). LaCAN members will be there to share their personal stories and the importance of funding for waivers, the Individual and Family Support Program, and Families Helping Families.

Our goal is to fill the committee room with yellow shirts and stories representing all those who are waiting or relying on disability services. **Contact your [LaCAN Team Leader](#) if you would like to attend.** Carpooling options may be available in your area.

NOTE: [SB 355](#), related to the protection of critical services for vulnerable populations, will not be heard by the Senate Finance Committee on this day as originally announced, but will be considered at a later date. **Fact sheets on this issue will be available for members to share with their Senators while at the Capitol on Monday.**
