

Agency Quarterly Report to the DD Council

Update/progress on agency initiatives

Act 833

The Department has hosted four sessions on how to implement Act 833. The first session focused on the graduation components, the second on the promotion components, the third on individual performance criteria, and the fourth on planning for post-secondary outcomes. Click on the links below to access the information shared during these sessions.

[Individual performance criteria deck](#)

Individual performance criteria follow-up FAQ- link not available at time of report

Planning for post-secondary outcomes deck- link not available at time of report

IEP Team Support

The Department is partnering with a local university to implement a statewide support plan for improving the practice of IEP teams. More details will be provided at the DD Council meeting in January.

LAA 1 Eligibility Criteria

During the December 2014 BESE meeting the board discussed and approved for notice of intent policy revisions that will expand the eligibility criteria for the LAA 1 assessment. Click [here](#) for more information about the LAA 1 eligibility criteria.
