

LaCAN

Louisiana Citizens for Action Now

Information Alert - Advocacy Update & Save the Date

Almost 400 LaCAN members attended Disability Rights Day at the Capitol yesterday. Members traveled from all around the state to visit with legislators, share their stories, participate in a rally on the Capitol steps, and build relationships with one another.

Thanks to everyone who participated. It was a beautiful day filled with advocacy and fun. Together we can make a difference!

There are plenty of other opportunities to get involved during this legislative session, including participating in our action alerts, attending Yellow Shirt Days, and even sharing your story as part of public testimony. Watch for future alerts, follow us on [Facebook](#), or contact your [LaCAN Leader](#) for more details!
