Louisiana Citizens for Action Now

Information Alert - Medicaid Co-Pays

Yesterday in the House Health and Welfare Committee seven of the eight legislative instruments calling for some type of co-payment or "cost-sharing" for Medicaid services were voluntarily deferred by their authors: [HB170](#), [HB173](#), [HB309](#), [HB324](#), [HB435](#), [HB492](#), and [HB566](#). This means they will not move forward. The remaining bill ([HB461](#)) is not yet scheduled to be heard.

Thanks to all of you who contacted members of the Health and Welfare Committee to express your concerns over the hardships these "cost-sharing" measures may have caused for individuals with disabilities. Your advocacy works!
