ACTION ALERT - Attend Public Testimony Day to the Senate Finance Committee

Yellow Shirt Day

Attend Public Testimony Day on **Friday, May 23rd**, and Show Your Support for the Funding of Disability Services!

The Senate Finance Committee will be meeting to hear public testimony on the proposed state budget ([HB1](#)) on **Friday, May 23rd, beginning at 9:30 a.m.**

HB1 currently includes funding to fill all vacant waiver slots, create 200 additional NOW slots, and restore funding to other disability services including the Individual and Family Support Program, Families Helping Families, and Louisiana Rehabilitation Services. This funding can be cut at any point in the process, so it's important that committee members hear from you!

A few LaCAN members have been selected to share their testimonies before the committee in support of the proposed funding. **Help fill the room with yellow shirts to represent the countless others relying (or waiting) on these critical services.**

Contact your [LaCAN Team Leader](#) if you would like to attend. Carpooling options may be available in your area. LaCAN shirts are available upon request. Arrive early to get a seat in the committee room!

THERE IS STILL TIME to call or email Chairman Donahue and other committee members **between now and Friday** to share your own story and how the funding of these services would benefit you.
