Louisiana School Psychology Internship Consortium (LAS*PIC)

✓ 2017-18 Interns completed Media Rotation where their skills in creating and delivering professional learning for education stakeholders using three different methods
✓ Screened 60+ applications for 2018-19 Internship year and invited 36 applicants for on-site interviews
✓ Conducted three of four days of interviews with applicants and local traditional and charter schools for six internship positions in schools. **Note** that due to no funding support, LAS*PIC is taking only six interns for 2018-19 school year despite over 30 vacancies in the metropolitan area. Significant shortages in school psychologists to meet the needs of students and teachers still exist and are growing. Without funding support for 2019-20, LAS*PIC may cease to function.

LASARD quarterly updates

**Employment/Transition Initiatives**
Employment/Transition

Postsecondary Apprenticeship for Youth (Pay Check Pilot)

The Postsecondary Apprenticeship Pilot for Youth (Pay Check) pilot is an innovative collaboration between the LSUHSC-Human Development Center (HDC), Louisiana Rehabilitation Services, Delgado Community College, two public school systems, one public Charter school association, and the University Medical Center-New Orleans.

Pay Check is a 3-5 semester program wherein students select courses at Delgado Community College related to UMC targeted apprenticeship areas, participate in professional career development activities, learn community and work skills, and gain employment experience through a paid apprenticeship at the University Medical Center.

Pay Check Partners include: LRS/LWC, Delgado CC, UMC-New Orleans, Orleans parish school charters and Jefferson Parish Public School System. Currently working with LRS State Office to modify TPCA to reflect a Pre-ETS focus.

Transition and Employment

Received Agreement and MOUs for ten additional students from JPPSS for the PAY Check pilot. Applications are still being received and reviewed. Paycheck students will begin Jan 3, 2018.

HDC awarded Mentoring grant from LA DCC.

Received Contract with JPPSS for a year-long Transition Capacity Building Initiative (TCBI). Training calendar includes one 2-day summit, 14 Live and archived webinars and one 3-day core Transition Specialist training.

Benefits Planning Services

HDC provides Louisiana Benefits Planning Services (LA-BPS) through an SSA-WIPA RFA for the next four years to all Louisiana SSA recipients, to locate local and community programs that services their area of the state. HDC continues to support SSDI and SSI beneficiaries with disabilities by providing work incentives planning and assistance services to support beneficiaries in their efforts to acquire, retain, and increase meaningful employment and improve financial independence.

BPS provides comprehensive, proactive guidance to beneficiaries in order to:

- Retain the documentation and information beneficiaries need to ensure full access to work incentives, anticipate changes in benefits, and access all available Federal, State, and local work incentives including, but not limited to, Plans to Achieve Self-Support (PASS), the Ticket to Work (TTW), and Impairment Related Work Expenses (IRWE).

- Encourage and support accurate and timely reporting to reduce the size or likelihood of benefit overpayments.
• Offer information and support that beneficiaries need to access services to make a successful transition to employment.

HDC continues to provide free benefits counseling throughout the state in conjunction with the Advocacy Center. HDC averages 28-35 referrals each month and provides Information and Referral to all beneficiaries with specific and focused benefits planning to individuals who are employed or considering employment.

Benefit Planner certification training is ongoing to insure HDC Benefits Planners maintain knowledge of the dynamic content to serve Social Security beneficiaries with the latest information regarding the impact of income on the disability benefits received from Social Security and other state local support programs.

**Supported Employment Training and Technical Assistance**

- HDC attended several EFSLM Vision Quest/Employment work group calls and meetings
- HDC staff attended LRC meeting
- Financial inclusion and follow-up meetings and calls with NDI and local partners
- HDC staff active on the national APSE Public Policy committee and attend 3rd Friday monthly meetings which have focused primarily on the Workforce Investment and Opportunities Act (WIOA).
- Provided one CORE (3 day) Employment Training to CRPs, one CORE refresher and one Alternative Funding training

**Objective 7.2** Changes in policies and practices that result in students with developmental disabilities attaining competitive employment in integrated settings.
Activity 7.2.1 Advocate with the LSU-HSC Human Development Center and other collaborators for the development and implementation of policies and practices (i.e., college and career pathways) that ensure students with developmental disabilities have access to and opportunities that prepare them for post-secondary education and/or competitive, integrated employment.

- HDC staff continues to advocate for and promote Employment First by providing Community Trainings and participating meetings and trainings offered by/through FHF, GODA Employment Coalition, Work Pays, LRC and stakeholder meetings as scheduled.
- HDC continues to work on the development of a collaborative funding model for an Apprenticeship to Careers and Employment model.
- Worked collaboratively with GODA, DD Council, and Advocacy Center to discuss implementation of Employment First Executive Order.

Objective 9.1 Louisiana will develop and implement an Employment First plan.

Activity 9.1.1 Advocate for:

- policies that incentivize services for individualized integrated, competitive employment and dis-incentivize segregated, sheltered day habilitation services,
- sheltered workshops to transition people into individualized, competitive, paid employment and discontinue admissions into segregated day programs,
- collaborative policy making and practices across state agencies that promote students being supported in and transitioning into competitive paid employment,
- LRS and OCDD will collaborate to mandate that all supported employment vendors/providers complete a university-based 40-hour training,
- Support family members and other advocates to serve on the Louisiana work team in developing an Employment First agenda and implementation plan including participation in state level meetings.

- HDC continue to work collaboratively with ALL PAYCHECK apprenticeship pilot entities (LRS, UMC, Orleans and Jefferson parish schools and two LEA charters).
