

Action Alert #6 Update

Attend Yellow Shirt Day Today to Save DD Services

February 19, 2018

MONDAY, FEBRUARY 19TH
3 P.M.
LOBBY OF HOUSE CHAMBERS
FIRST FLOOR, STATE CAPITOL

The legislature meets in Special Session beginning today, February 19 through March 7, 2018 to address the state's \$1 Billion shortfall for the fiscal year beginning July 1st (Fiscal Year 2019). Should sufficient revenue not be identified, the Louisiana Department of Health (LDH) would be cut over **\$650 million** in state general funds (\$2.4 Billion including federal matching funds). Massive cuts in this amount would reduce or eliminate numerous programs and services for people with developmental disabilities currently funded in LDH's budget:

- Elimination of Children's Choice and Supports Waivers
- Elimination of Long Term Personal Care Services
- Elimination of Pediatric Day Health Care Centers
- Elimination of Supported Independent Living in the New Opportunities Waiver
- Stricter financial eligibility criteria for Medicaid long term care services (impacting 57% of current home and community based waiver recipients and ICF/DD residents)
- Significant reduction to behavioral health and addictive disorder services
- Reduction to Support Coordination

If these services are important to you, **NOW** is the time to take action!
