Employment/Transition Initiatives

Employment/Transition

Postsecondary Apprenticeship for Youth (Pay Check Pilot) – Currently there are 11 students Jefferson Parish Schools System students in the pilot who will be exiting in 2018 and some in early 2019. HDC will also be enrolling Inspire NOLA and Collegiate Academy students next semester and Jefferson Foundation Charter Academy next semester.

Pay Check students will begin job shadowing and matching for the paid apprenticeship portion of their program beginning at the end of April and continuing through August. New students will be enrolled each semester as the pilot begins expanding participants/students.

Pay Check Partners include: LRS/LWC, Delgado CC, UMC-New Orleans, Orleans parish school charters and Jefferson Parish Public School System.

Transition and Employment

HDC will be negotiating with existing JPPSS partner to establish a new contract for additional students for 2019.

HDC received a Transition Capacity Building Initiative (TCBI) grant to provide Professional Development for all related transition, vocational and special education personnel. This grant includes a 2-day Transition Summit, 14 Live and Archived Webinars and one 3-day Transition Core training.

HDC awarded Mentoring grant from LA DCC and is currently working with two IDD Medicaid employment providers (one in Alexandria-Rapides ARC) and one on the Northshore (Teem Academy). Agencies will receive individualized mentoring through a mutually developed capacity enhancement plan, access to CORE and one day trainings and will receive outcome incentive payments as the identified outcomes are met

Benefits Planning Services

HDC provides Louisiana Benefits Planning Services (LA-BPS) through a SSA-WIPA RFA to all Louisiana SSA recipients. HDC supports SSDI and SSI beneficiaries with disabilities by providing work incentives planning and assistance services to support beneficiaries in their efforts to acquire, retain, and increase meaningful employment and improve financial independence. The focus of the services are to provide proactive guidance to beneficiaries to ensure full access to work incentives, support accurate and timely reporting to reduce the size or likelihood of benefit overpayments and to offer information and support needed for beneficiaries to access services to make a successful transition to employment. These services are provided at no cost to the beneficiary throughout the state. The HDC averages 30-35 referrals each month and provides Information and referral to all beneficiaries and individualized benefits planning for those who are employed or considering employment.

Supported Employment Training and Technical Assistance

- ✓ HDC attended several EFSLM Vision Quest/Employment work group calls and meetings
- ✓ HDC staff attended LRC meeting January 25, 2018

- ✓ HDC staff active on the national **APSE Public Policy committee** and attend 3rd Friday monthly meetings which have focused primarily on the Workforce Investment and Opportunities Act (WIOA).
- ✓ Provided three CORE (3 day) Employment Training to CRPs, and ten one day employment trainings
- ✓ HDC working with collaborative team to begin planning for Department of Labor Youth Build **anticipated funding announcement** to provide employment pathways to low-income unemployed youth (16-24) who are no longer in school. YouthBuild programs participants learn construction skills through building affordable housing for homeless and low-income people in their neighborhoods and other community assets such as schools, playgrounds, and community centers.
- ✓ Meetings with school personnel students and families to provide education/outreach and to discuss apprenticeship pilot.
