

## State Personal Assistance Program (SPAS)

Quarterly and Cumulative Report FY 17-18

Project Period: April 1, 2018- June 30, 2018 (4th Quarter)

One of the primary principles on which the SPAS program was founded is that adults with disabilities should be afforded the opportunity to make decisions for themselves and to live in typical homes and communities where they can exercise their full rights and responsibilities as citizens. Based on this principal, the SPAS program for the FY 2017-2018 is administered as follows:

### Demographics of Consumers
