NOTES	
	Please provide the following: 1) A brief summary of the types of goods/services for which funds were used, including any innovative uses. 2) If year to date expenditures are low, please note plans to ensure that allocated funds are expended by the end of the FY.
MHSD	These funds were used to assist families with school uniforms, utility bills, rental assistance and home settlement items.
CAHSD	The unduplicated cumulative number served did not change. Funds were expended for the contract consumer-run drop in center's rent, utilities, telephone, cable, internet, gas for client transportation, food for client lunches, peer staff, peer-led educational workshops, and related supplies; some mental health block grant funding was utilized during the fiscal year.
SCLHSA	Used to fund Adult CCR Requests
CLHSD	Funds were spent on utilities, rent, food for a homeless client and fee for acquisition of a state identification card.
NLHSD	The services provided in this program are support services to persons who have an identified behavioral health issue and met the current definition of homeless as defined by the local Homeless Continuum of Care. Persons who are chronically homeless are prioritized. The support services include staff on the premises in the evenings, weekends, holidays and available during the day to assist with getting to appointments, monitor medication compliance and offer support. Regarding the number of persons on waiting list: Clients are placed in housing program based on VI-SPDAT score indicating the need for Permanent Supportive Housing and placed in the program based on bed availability.

This report was compiled with data received from each Local Governing Entity (LGE).
