#HireMyStrengths Focus for NDEAM

October 1, 2018

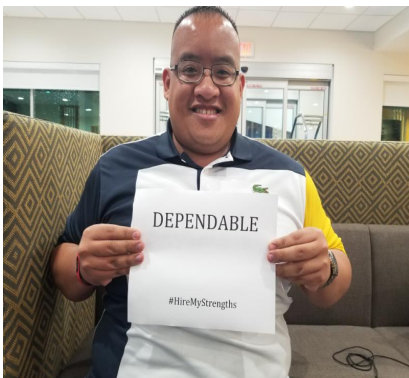

The Council encourages you to join us in a Hire My Strengths social media campaign throughout October for National Disability Employment Awareness Month (NDEAM). NDEAM aims to educate about disability employment issues and celebrate the many and varied contributions of America's workers with disabilities.

What better way to do that than by using the power of social media to share and celebrate the many skills and talents people with disabilities contribute to the workforce - and get excited about employment!

The Council is calling on all advocacy groups, service providers, business owners, educators, mentors, friends, parents, and siblings - help us energize people with disabilities about employment and bring awareness to employers that people with disabilities make great employees!
