2.4.1 Advocate for adequate funding for waiver slots.

Skilled nursing rates in waivers and EPSDT, and waiver provider rates, were discussed at the 2020 Legislative Kickoff. Advocacy leaders voted to include both of these issues in their recommendations to the Council for its 2020 legislative agenda.

Previous Quarter(s):

In October 2018, the Council recommended LDH restore waiver provider rates to the 2008 levels in the current fiscal year using money from the NOW Fund. LDH submitted a BA-7 to restore the rates, but the Joint Legislative Committee on the Budget did not include this request on their agenda. Funding to restore waiver provider rates was not included in the governor's executive budget proposal. LaCAN members joined providers to successfully advocate for the rate restoration to be retroactive to January 2019 and the appropriation of an additional \$38.8 million in state funds for the rate restoration in FY20. This restoration also includes rates for the Office of Aging and Adult Services Waivers, Medicaid Long-Term Personal Care Services, and EPSDT Personal Care Services.

Sent a [letter to LDH Deputy Secretary Mark Thomas](#) and a [subsequent letter to the Commissioner of Administration Jay Dardenne](#) expressing concern that the Council was not consulted to develop a plan for appropriations out of the New Opportunities Waiver (NOW) Fund in accordance with Act 665 of 2018. The Council's request that \$1 Million remain in the fund was also communicated. [Commissioner Dardenne replied to our letter](#) on July 1st stating that the Division and LDH will make a more concerted effort to collaborate and coordinate with the Council on utilization of the NOW Fund and that there will be a \$1 Million balance in the Fund.

This language was also included in the state's FY20 budget bill. Additional funding for the State Personal Assistance Services (SPAS) program was also included in testimony before House Appropriations and Senate Finance but was not included in the FY20 budget.

Rule changes to the Flexible Family Fund program were published in the April 2019 volume of the [LA Register](#). OCDD trained district/authority staff on the updated policies, which were implemented on May 1st.
