| **1.2.4** Facilitate and support advocacy events including but not limited to Legislative Roundtables, a Conference, and advocacy training sessions. | LaCAN’s Legislative Debriefing was held on June 29, 2020. LaCAN Leaders, FHF Directors and Council staff discussed the commitment from the legislature to the disability community by not reducing any funding to disability services as a result of LaCAN advocacy efforts. Ideas were also discussed for improving advocacy activities and effectiveness including ideas for holding virtual events due to the COVID-19 pandemic.  
On May 23, 2020, the Council hosted a virtual Disability Rights Day in partnership with Families Helping Families and the Community Provider Association. The event was livestreamed on the Council’s YouTube channel and can be viewed [here](#).  
Each LaCAN Leader held regional membership meetings in lieu of Roundtables. There were 154 LaCAN members who participated in 15 regional LaCAN member meetings to discuss the Council’s Advocacy Agenda, learn how to become an active member, ways of taking action (action alerts, yellow shirt days, testimony) and how to connect with legislators.  
**Previous Quarter(s):**  
The LaCAN Fall Leader training was conducted on November 21, 2019.

The Louisiana Department of Health (LDH) hosted two additional statewide stakeholders’ group meetings to provide information and obtain feedback on LDH’s proposed implementation of **Act 421 of 2019** (TEFRA). Advocated for a program more aligned with the original intent of TEFRA rather than the creation of a program with limited availability and a waiting list for services. The Council added to its advocacy agenda funding to implement TEFRA. A [fact sheet](#) was developed and posted on the Council’s website and distributed to Council members, LaCAN Leaders and FHF Centers.

COVID-19 disrupted the implementation of TEFRA by preventing LDH from being able to submit its proposal by the June 1, 2020 timeline. Originally, LDH indicated in a [letter to the Louisiana Legislature](#) it would submit its TEFRA proposal to CMS by January 1, 2021, with a requested implementation date of July 1, 2021. However, in a stakeholder meeting on June 12th LDH stated that they intend to submit its CMS request by September 1, 2020 with a requested implementation date of January 1, 2021. ### Obj. 2.9
Individuals with developmental disabilities and their families will have information and training on sexuality, sexual abuse and exploitation.

| 2.9.1 Provide financial support for training on sexuality and relationships and to build awareness and skills with recognizing and handling sexual abuse and exploitation of people with developmental disabilities. | The Council continues to collaborate with Team Dynamics, LLC. to offer a series of training events statewide to increase adult self-advocates and their family members' understanding of the issues that lead to and ways to prevent sexual abuse and exploitation of individuals with disabilities. Training schedule, location, registration and links to other informational webinars can be found [here](#). As of June 2020, twenty training events have occurred with 150 self-advocates and 347 family members/caregivers in attendance. Due to the COVID-19 pandemic, the training events scheduled in April, May and June were held via online webinars rather than in-person. | **On target:** | ☑️ Initiative ☑️ Expenditures |
| 2.9.2 Provide funds to research existing state policy and develop a report with legislative, regulatory and other recommendations designed to help prevent the sexual and other abuse of people with developmental disabilities. | The Council finalized its contract with Disability Rights LA (formerly The Advocacy Center) to produce a report with comprehensive recommendations to address the sexual and other abuse of people with developmental disabilities. Due to the COVID-19 pandemic, DRLA’s work on this report has been impacted, but they have an anticipated completion date of June 30th. |
| Approx. FFY 2020 Cost: $10,000 | Previous Quarter(s): The Council is in the process of finalizing a contract with the Advocacy Center to conduct necessary research and produce a report with comprehensive recommendations to address the sexual and other abuse of people with developmental disabilities. |

**Goal 3** Students with disabilities will have access to quality, individualized educational programs that address their unique skills, interests, and goals in inclusive environments.

**Obj. 3.1** Individualized Education Plan (IEP) team members will have increased levels of information and support to demonstrate effective individualized programming consistent with best practice and to enable each member to participate fully as members of the IEP team.

| 3.1.1 Advocate for increased focus and capacity within LDOE to address Special Education, including specific areas/issues (i.e., disability/topical/etc.) | The Advisory Council on Student Behavior and Discipline requested the Legislature consider revising La. R.S. 17:252 to require the Louisiana Department of Education address staffing capacity to collect data related to implementation of Model Master Discipline Plans by schools and take action related to findings of implementation. |
| | Previous Quarter(s): Advocated for LDOE to revive the Data Quality Review Sub-Committee of the Advisory Council on Student Behavior and Discipline to provide validity and integrity of data and develop uniform definitions of behavior codes. |

**On target: ✓ Initiative ✓ Expenditures**

| 3.1.2 Advocate for increased infrastructure of on-site training and technical assistance provided to parents and schools simultaneously. | Advocated for LDOE to maintain consistency in the support infrastructure for parents of children with disabilities by continuing to fund the regional Families Helping Families Resource Centers. |

### 3.4.2 Provide financial support to establish a Post-Secondary Inclusive Education Alliance to provide mentoring and technical assistance, host training events and develop resources designed to build the capacity of Louisiana postsecondary institutions in providing inclusive postsecondary education opportunities for individuals with intellectual and developmental disabilities throughout Louisiana.

**Approx. FFY 2020 Cost:** $40,000

On March 9, 2020, the LA-PIE Alliance hosted a forum in North LA to allow interested Institutes of Higher Learning to learn about inclusive post-secondary education programs and how to create one for their campus. LSU-A and Grambling State University attended the event and provided data for a Needs Assessment to begin the process of creating an inclusive PSE program. LSU-A developed a Steering Committee for this program and has an anticipated start date for an inclusive PSE program to be offered for the Fall 2021 semester. A forum was scheduled for April 9<sup>th</sup> in South LA but was canceled due to the COVID-19 pandemic.

4.2.3 Provide financial support for professional development opportunities for childcare providers and EarlySteps interventionists to build capacity with including children with disabilities in Early Learning Center within Local Communities.  
**Approx. FFY 2020 Cost: $90,000**

LSUHSC-HDC conducted in-person trainings on February 11th and 12th in Lafayette and Shreveport. Unfortunately, there were only 11 participants consisting of childcare providers, Early Interventionists, Family Support Coordinators, and an ES Regional Coordinator. Another training event was in the process of being organized until the COVID-19 pandemic began. LSUHSC-HDC staff conducted multiple virtual technical assistance and mentoring webinars with participants from the intensive training sessions that were held in Baton Rouge, New Orleans, Northshore, Lafayette, and Shreveport. Due to the COVID-19 pandemic and closures of child care centers, one-one-one (in person) coaching sessions were not conducted.

**Previous Quarter(s):**
LSUHSC-Human Development Center was contracted to continue with the provision of training, and mentoring/Technical Assistance for coaching of Early Learning Center staff and Early Interventionists toward the inclusion of children with disabilities in Early Learning Center settings.
