1.2.4 Facilitate and support advocacy events including but not limited to Legislative Roundtables, a Conference, and advocacy training sessions.

**Approx. FFY 2020 Cost:
\$40,000**

The LaCAN Summer Training was held on August 20, 2020. Leaders discussed creative ways to continue LaCAN activities virtually and keep members active during a pandemic.

Since October 1, 2019, 461 LaCAN members participated in 38 regional LaCAN member meetings to discuss various topics including outcomes of the 2020 Legislative Session, the legislative process, how to become an active member, ways of taking action (action alerts, yellow shirt days, testimony), how to connect with legislators and to provide input on the Council's 2021 legislative advocacy agenda. Over 60 concerns/issues were received for the Council's consideration.

LaCAN Leaders and FHF Directors participated in the 2021 Legislative Kickoff on September 17, 2020. Advocacy leaders rated over 60 concerns/issues to develop the top nine items generated from across the state. These top items were discussed before being narrowed down to three items for their official recommendations toward the Council's 2021 legislative advocacy agenda.

Previous Quarter(s):

The LaCAN Fall Leader training was conducted on November 21, 2019.

The 2019 LaDDC Conference, "Navigating the System Across the Lifespan" was held on November 18, 2019 at the Baton Rouge Marriott. The conference had 166 registrants (29 self-advocates, 55 parent-advocates, and 82 professionals) and hosted 147 attendees.

On May 23, 2020, the Council hosted a virtual Disability Rights Day in partnership with Families Helping Families and the Community Provider Association. The event was livestreamed on the Council's YouTube channel and can be viewed [here](#).

LaCAN's Legislative Debriefing was held on June 29, 2020.

Each LaCAN Leader held regional membership meetings in lieu of Roundtables. There were 154 LaCAN members who participated in 15 regional LaCAN member meetings.

1.4.1 Provide financial support (from the entirety of state general funds) and technical assistance to nine Families Helping Families Regional Resource Centers across the state.

Since October 1, 2019, Centers have assisted over 17,170 individuals with disabilities and families with information, referral, peer to peer and other supports. There have been 39,830 units of information and referral completed and 437 trainings conducted with over 6,530 individuals in attendance. Centers have also conducted 279 outreach activities to hospitals, pediatricians, and school districts. [FHF webinars](#) are published on the Council website.

Monitoring visits to review Center operations and achievement of deliverables for State Fiscal Year 2020 were intended to be completed on Bayou Land FHF, FHF Northeast Louisiana, and FHF Southwest Louisiana. However, due to COVID-19 these visits will be scheduled at a later date. All FHF Centers will participate in desk audits at this time.

At the Legislative Kickoff on September 17, 2020, LaCAN Leaders and FHF Directors voted on recommendations for the Council's 2021 legislative agenda to include additional funding for the FHF Centers.

Previous Quarter(s):

A [fact sheet](#) about the need for additional funding for the Families Helping Families Resource Center was developed, posted on the Council's website, and distributed to Council members, LaCAN Leaders, and FHF Centers/Directors to be used in legislative visits and member meetings prior to the start of the 2020 legislative session.

2.4.1 Advocate for adequate funding for waiver services.

At the Legislative Kickoff on September 17, 2020, LaCAN Leaders and FHF Directors voted on recommendations for the Council's 2021 legislative agenda to include advocacy for increased DSP wages. Feedback and concerns received from community input meetings related to SUN screenings, the tiered waiver process, and lack of availability of services were also discussed.

Previous Quarter(s):

A [fact sheet](#) regarding the need for increased HCBS and skilled nursing rates in waivers and EPSDT was developed, posted on the Council's website, and distributed to Council members, LaCAN Leaders, and FHF Centers/Directors intended to be used in legislative visits and member meetings prior to the start of the 2020 legislative session. Multiple disability groups collaborated to develop a shared [fact sheet](#) related to the need for increased HCBS rates. Funding needed to increase these rates was not included in the governor's executive budget proposal. However, the budget did contain language preventing cuts to Medicaid waiver services. A settlement was reached in the class action lawsuit against LDH that will enable children and youth with complex medical needs to receive needed Medicaid in-home nursing services. More information can be found in this [press release](#) from Disability Rights LA.

2.5.1 Oversee implementation of the Community and Family Support System Plan.

Information about the need for additional funding for the State Personal Assistance Services (SPAS) program was shared with LaCAN Leaders and FHF Directors at their Legislative Kickoff.

The Louisiana Department of Health (LDH) resumed statewide stakeholders' group meetings regarding [Act 421 of 2019](#) (TEFRA) Children's Medicaid Option. Program application was submitted to CMS on September 1, 2020 with a requested implementation date of January 1, 2021. The application can be viewed [here](#). LDH has developed a [website](#) for stakeholders to view more information about this program.

Previous Quarter(s):

A [fact sheet](#) related to SPAS was developed, posted on the Council's website and distributed to Council members, LaCAN Leaders and FHF Centers.

LDH hosted multiple statewide stakeholders' group meetings to provide information and obtain feedback on LDH's proposed implementation of [Act 421 of 2019](#) (TEFRA). The Council added to its 2020 advocacy agenda funding to implement TEFRA. A [fact sheet](#) was developed and posted on the Council's website and distributed to Council members, LaCAN Leaders and FHF Centers. COVID-19 disrupted the implementation of TEFRA by preventing LDH from being able to submit its proposal by the June 1, 2020 timeline. [Click here](#) to see LDH's updated implementation timeline.

3.4.2 Provide financial support to establish a Post-Secondary Inclusive Education Alliance to provide mentoring and technical assistance, host training events and develop resources designed to build the capacity of Louisiana postsecondary institutions in providing inclusive postsecondary education opportunities for individuals with intellectual and developmental disabilities throughout Louisiana.

**Approx. FFY 2020 Cost:
\$40,000**

Alliance activities are still being conducted virtually when appropriate and as allowed under COVID-19 restrictions. The provision of mentoring and technical assistance is still ongoing with Grambling State University and LSU-Alexandria in guiding their efforts to create inclusive post-secondary programs on their campuses. In order to continue activities throughout FY 2021, and striving to achieve satisfactory outcomes (with consideration of COVID-19 restrictions), efforts are being taken for curriculum experts to develop ZOOM and Moodle trainings for existing and newly developed programs.

Previous Quarter(s):

On March 9, 2020, the LA-PIE Alliance hosted a forum in North LA to allow interested Institutes of Higher Learning to learn about inclusive post-secondary education programs and how to create one for their campus. LSU-A and Grambling State University attended the event and provided data for a Needs Assessment to begin the process of creating an inclusive PSE program. LSU-A developed a Steering Committee for this program and has an anticipated start date for an inclusive PSE program to be offered for the Fall 2021 semester. A forum was scheduled for April 9th in South LA but was canceled due to the COVID-19 pandemic.

<p>5.1.3 Provide funding to build the capacity of employment providers in customized employment through a competency-based certification program.</p> <p>Approx. FFY 2020 Cost: \$50,000</p>	<p>Due to closures and layoffs caused by the effects of COVID-19, only 2 of the 4 employment support providers are still participating in the Job Development Certification mentoring. Marc Gold & Associates (the training entity) has developed virtual training and certification mentoring modules for the Discovery and Job Development components of Customized Employment, but not for the Systematic Instruction component.</p> <p>Previous Quarter(s): Two individuals have completed the Certification process for the Discovery component of Customized Employment. A Job Development Gateway (3-day training event) was conducted February 4 – 6, 2020, with 22 attendees. Four provider agencies who participated in the Discovery component of Customized Employment were represented at this event and are eligible to participate in the Certification process for Job Development. At the conclusion of this Job Development Gateway, 14 individuals indicated that they would like to pursue Certification in all 3 components of this employment service.</p> <p>Three employment support providers have now completed all 3 components of Customized Employment (Discovery, Job Development, and Systematic Instruction) and are qualified to provide this service through LRS to individuals with significant employment support needs. Five more providers are expected to complete Discovery certification mentoring. The Job Development Gateway is scheduled for February 2020.</p> <p>On target: <input checked="" type="checkbox"/> Initiative <input checked="" type="checkbox"/> Expenditures</p>
<p>Obj. 5.2 An increased number of individuals with developmental disabilities will have information and access to an integrated workforce development system that is fully funded.</p>
