

## Share Your Input with the Developmental Disabilities Services Visuals Workgroup

November 20, 2020

The Office for Citizens with Developmental Disabilities (OCDD) has created the “Developmental Disabilities Services Visuals Workgroup” to identify processes in the OCDD service delivery system that may benefit from visual representations (i.e. flow charts, mapping). The goal is to ensure visuals are developed in a manner that is easy for individuals and families to understand so they may be better informed regarding what steps should be taken to access OCDD services.

The workgroup seeks to hear from a diverse group of stakeholders on which OCDD services and programs should be prioritized. Please access OCDD’s services and programs [here](#).

Input may be submitted to Marilee Andrews at [Marilee.Andrews@la.gov](mailto:Marilee.Andrews@la.gov) and will be received until COB on December 1, 2020. Input received will be submitted to the Developmental Disabilities Services Visuals Workgroup at its December 2020 meeting.
