## Inclusive Employment Webinars Beginning This Month

April 1, 2021

The Louisiana Developmental Disabilities Council is excited to kick off inclusive employment webinars beginning this month for its employment initiative, *Working Together*.

*Working Together* is a campaign to create inclusive employment opportunities for people with intellectual and developmental disabilities (I/DD) and to provide businesses and employers “how to” strategies for recruiting, hiring and retaining these employees in an inclusive work environment.

Inclusive employment webinars are being offered virtually statewide to interested employers to better understand the processes and resources that can be used to increase employment opportunities for people with intellectual and developmental disabilities. Ten, 60-minute webinars are planned, one in each of the Louisiana Department of Health’s regions, in partnership with local chambers of commerce, Society for Human Resource Management (SHRM) chapters, Louisiana Rehabilitation Services (LRS) and the Workforce Commission.
