

## **UPDATE** Action Alert #12 Still Time to Contact House Education Committee Regarding Cameras in Special Education Classrooms

May 26, 2021

**Due to lack of a quorum, the House Education Committee will now meet TOMORROW. If you have not reached out to committee members yet, there is still time!**

**Thursday, May 27<sup>th</sup>**

House Education meets at 8:30 AM in Room 1 to discuss [SB86](#) which would require cameras be installed in self-contained special education classrooms upon request.

Students with disabilities, particularly students who are non-verbal, are at greater risk of abuse and do not have the communication skills to self-report this abuse. Parents want peace of mind that their children are treated with dignity and care behind closed doors of special education classrooms. Video and audio surveillance increases student safety, protects educators from false accusations, and promotes improved training to address student challenging behavior.

If [requiring cameras in special education classrooms upon request](#) is important to you or someone you know, **NOW** is the time to take action!

### **How to Take Action**

Share your personal story and explain how cameras in special education classrooms would affect you, your family or someone you know.

1. **Email or call** the Vice-Chair and members of the House Education Committee before they meet on Thursday, May 27<sup>th</sup>! Find your member of the House Education Committee at the end of this alert.

As the Council and LaCAN continue to practice mitigation efforts to reduce the spread of COVID-19, we will not hold official Yellow Shirt Days in-person at this time and encourage everyone to advocate safely.
