1.2.1 Provide financial support and technical assistance for Partners in Policymaking and its alumni network.

Approx. FFY 2021 Cost:
\$90,000

The Partners in Policymaking (PIP) Class of 2020 resumed participating in sessions in May 2021 utilizing an online workspace through Trello Board. Monthly topics and speakers have been coordinated for participants to have completed by October 2021.

Monthly webinars which will be available statewide are expected to occur from July through October for the FFY 2021 implementation of this program. It is anticipated that recruitment outreach for the PIP Class of 2022 will be increased through conducting these monthly webinars.

Previous Quarter(s):

The Partners in Policymaking (PIP) Ad-Hoc Committee met January 7, 2021, to receive updates and discuss virtual accommodations for the 2020 class and ITACC disparities in relation to PIP alumni.

Participants of the 2020 PIP class met virtually in March to get reacquainted and be informed of how this program will be implemented for their completion.

The Executive Committee approved the following recommendations from the PIP Ad-Hoc Committee:

- 1) The PIP 2020 class move forward in a virtual format; those absent in the March session are accepted back; the January through February sessions are reviewed; and the March session is repeated for all; and
- 2) A virtual format in 2021 for Partners in Policymaking sessions, open to anyone who would like to join in, recommending using PIP speakers based on their topics and gives participants an entire PIP class for a year in a PIP format, which will also work as recruiting tool for next year's applicant pool.

1.2.3 Provide financial support and information, training, technical assistance, and leadership to a grassroots network of individuals with developmental disabilities and family members of individuals with developmental disabilities to effectively educate policy makers on the development/improvement of programs and services for people with developmental disabilities.

**Approx. FFY 2021 Cost:
\$215,000**

As of June 2021, LaCAN has over 6,300 members registered to receive information and action alerts related to home and community-based services, employment, education, and early intervention.

Advocacy Activities

Since October 1, 2020:

- Twelve (12) HCBS action alerts; 1059 actions taken
- Five (5) education action alerts, 457 actions taken

Before the 2021 Legislative Session began on April 12th, LaCAN Leaders supported 100 members at 61 formal legislative visits, of which 37 were with key committee members. Due to the COVID-19 pandemic, LaCAN Leaders were unable to coordinate meetings between members and legislators at the Capitol during the 2021 Legislative Session.

LaCAN continues to host two LaCAN Leader conference calls per month, which include updates on current concerns/issues and development of strategies to better educate, maintain, support, and lead LaCAN members.

Update on Leader Positions

A LaCAN Leader has been hired for Region 1/10 and orientation is underway. There is currently a vacancy in Region 2. The position is currently being advertised and those interested are encouraged to apply. More information can be found on the LaDDC [website](#).

1.4.1 Provide financial support (from the entirety of state general funds) and technical assistance to nine Families Helping Families Regional Resource Centers across the state.

Since October 1, 2020, Centers have assisted over 14,600 individuals with disabilities and families with information, referral, peer to peer, and other supports. There have been over 30,500 units of information and referral completed with 317 trainings conducted with over 4300 individuals in attendance. Centers have also conducted 132 outreach activities to hospitals, pediatricians, and school districts.

The legislature allocated an additional \$500,000 in state general funds to the Council's FY 2022 budget to ensure an increase in funding for the Families Helping Families Centers that contract with the Council.

Previous Quarter(s):

Shared information about the need for additional funding for the Families Helping Families Resource Center across the state at LaCAN Legislative Roundtables and in individual meetings and communications with legislators.

A [fact sheet](#) about the need for additional funding for the Families Helping Families Resource Centers was developed, posted on the Council's website, and distributed to Council members, LaCAN Leaders, and FHF Centers/Directors to be used in legislative visits and member meetings prior to the start of the 2021 legislative session.

2.4.1 Advocate for adequate funding for waiver services.

Funding to increase I/DD waiver rates was included in the Fiscal Year 2022 budget (HB1). Over \$16 million in state general funds were included for “increases for providers of Children’s Choice Waiver, New Opportunities Waiver, Supports Waiver, and Residential Options Waiver services to increase the wages of direct support workers (DSW) and personal care attendants pursuant to rulemaking and audit.” The department held multiple meetings to discuss implementation with providers and the Council. It is estimated with the additional funding, rates in I/DD waiver programs for services provided by a DSW can increase by \$2.50 per hour. It was proposed to the Joint Medicaid Oversight Committee that a wage floor of \$8.50 be set for DSWs with the rate increase split 50/50 (\$1.25 to the workers and \$1.25 to the provider). Funding was also included to fund comprehensive dental services for adults in I/DD waiver programs.

Previous Quarter(s):

Information was shared about the need for increased home and community-based service (HCBS) rates for services performed by Direct Service Workers (DSWs) and the need to increase DSW starting pay to at least \$8.65 per hour across the state at LaCAN Legislative Roundtables and in individual meetings and communications with legislators. Funding needed to increase these rates was not included in the governor’s executive budget proposal.

During a meeting with the leadership of the Office for Citizens with Developmental Disabilities, staff advocated for the need to increase Direct Support Professional pay and discussed the amount funding needed to secure the increase.

2.5.1 Oversee implementation of the Community and Family Support System Plan and advocate for adequate funding, the expansion of services, and consistent implementation of policy across regions, including, if necessary, changes in law and/or contracts with local governing entities (LGE's).

Successfully advocated for the inclusion of funds in the fiscal year 2022 budget ([HB1](#)) to increase home- and community-based provider rates for I/DD waivers with language dedicating the funding to increase direct support worker pay increases and funding to offer comprehensive dental services to adults with intellectual and developmental disabilities via Medicaid (pending CMS approval). Successfully advocated for the passage of [HB172](#) which requires the state Medicaid program to provide comprehensive dental coverage for each person of age 21 or older who is enrolled in any Medicaid waiver program for persons with developmental or intellectual disabilities.

The Act 421 Children's Medicaid Option program is still waiting approval from CMS. However, the department is reevaluating its approach in light of additional funding via the American Rescue Plan and other changes to initial estimates on expected participants. Clarity is being sought from CMS to determine if the Act 421 program would qualify for the enhanced home- and community-based funding provided in the American Rescue Plan Act, which could potentially provide additional funding for more services. Should additional federal funding be made available, the department may look at the possibility of State Plan coverage rather than the demonstration waiver currently being sought. LDH has developed a [website](#) for stakeholders to view more information about this program.

Previous Quarter(s):

The Council's legislative agenda as it relates to home and community-based (HCBS) service rates and Direct Service Worker (DSW) pay was updated to include a base starting pay for DSWs of at least \$8.65 per hour. An [updated fact sheet](#) was developed and shared with stakeholders statewide. The Council's [legislative agenda](#) was also shared across the state at LaCAN Legislative Roundtables and in individual meetings and communications with legislators and other stakeholders. Additional funding for FHF Centers and increased rates was not included in the governor's executive budget proposal.

A fact sheet about the need for additional funding for the [Families Helping Families Resource Centers](#) and a [two dollar increase in the base pay rate of Direct Support Professionals](#) was developed and shared with stakeholders. The Act 421 Children's Medicaid Option program application was submitted September 1, 2020.

2.7.2 Provide financial support for promotion, awareness, training and support in implementation of Supported Decision Making.
Approx. FFY 2021 Cost: \$50,000

As of June 2021, five (5) trainings have occurred with 87 participants in attendance. Additionally, three (3) self-advocates are being mentored through the Supported Decision-Making process. One (1) self-advocate has completed the entire process.

A training schedule and registration information can be found [here](#). The site will be updated as more trainings are scheduled. Due to the COVID-19 pandemic, the training events will be held via online webinars rather than in-person at this time. Training schedules will be shared with all FHF Centers, People First of LA and Disability Rights LA.

Previous Quarter(s):

The Arc of Louisiana continues to offer statewide regional training events for adults with intellectual and developmental disabilities and their family members to increase their understanding of Supported Decision Making (SDM), also known as the Dustin Gary Act of the 2020 Louisiana legislative session, and other legal options available in Louisiana.

2.7.3 Provide financial support to establish pilot programs in multiple regions across the state on first-responder tactics, approaches and resources in fostering relationships with and dealing with individuals with developmental disabilities and training for people with developmental disabilities on how to interact with first responders.

Approx. FFY 2021 Cost:
\$50,000

Since April 1, 2021, Interaction Advisory Group (IAG) has conducted 8 training sessions for First Responder Professionals (5 of which were conducted “in-kind” by the contractor and were not at the expense of the Council). There were 258 professionals trained during these sessions this quarter. The total number of professionals trained through this initiative is now at 318.

Monthly Community training events are still being conducted and are available to all Louisiana residents. Click [here](#) to see the most up-to-date scheduled Community training events.

Previous Quarter(s):

Interaction Advisory Group (IAG) conducts virtual training sessions for First Responder Professionals routinely scheduled for the first Thursday of every month. These trainings began on January 12th and will continue through September 2021. IAG has been requested by multiple agencies to provide this training to entire forces, which include law enforcement agencies, Attorney General offices, and EMT agencies. Due to this overwhelming response, IAG conducted an additional training for First Responders in March at no cost to the DD Council. As of March 30th, 60 professionals have attended these trainings. IAG also conducted a community training event for Louisiana residents in February with the next public training event occurring on April 19th. IAG continues to collaborate with Families Helping Families, Autism Society of LA, and other appropriate entities to help with community participation in the public events, and through those contacts has a self-advocate help with the presentation during the training sessions for both the First Responder Professionals and public community events.

Interaction Advisory Group developed a training plan to begin with the Bossier Parish Sheriff’s Office and to quickly spread training throughout the state each month. Throughout November and December, IAG contacted “Families Helping Families” as well as multiple autism affiliates across the state of LA and have been in discussion with them about assisting IAG with self-advocate participation within first responder trainings and community trainings.

<p>2.7.4 Provide financial support to establish a training program on emergency preparedness and response relative to people with developmental disabilities</p> <p>Approx. FFY 2021 Cost: \$20,000</p>	<p>The additional introductory webinars for this initiative that were conducted on April 29th and May 5th had 158 attendees. The contractor partnered with Office of Citizens with Developmental Disabilities to conduct webinars for Support Coordinators, Direct Support Workers, and other professionals in June 2021. These sessions had an overwhelming 485 registered attendees. More sessions for both professionals and the public are scheduled for August and September. Click here to see the most up-to-date schedule and registration information.</p> <p>Previous Quarter(s): Outreach with appropriate emergency management entities has been marginally more successful since the last quarterly report. An introductory webinar was developed specifically for LA that will highlight the intentions and full program to be delivered. 2.8.2 Advocate for waivers to provide access to services listed in the [Freedom of Choice Provider Listing](#), continue exemptions and flexibilities initiated with COVID-19; and consider individualized emergency preparedness considerations for people with severe disabilities and medical issues.

Advocated for the continuation of some COVID-19 waiver exceptions including allowing a direct support worker (DSW) to exceed 16 hours per day, allow for DSWs to reside in the same home as the person receiving services, and allow providers and support coordinators to conduct virtual check ins and electronic signatures. Proposed legislation ([House Bill 204](#)) by Representative Turner, if passed, would have permanently continued these exceptions. However, HB204 failed to complete the legislative process. The department released the [following letter](#) indicating their efforts and ongoing work to continue some of the exceptions.

Shared information via [LaDDC News](#) on April 19, 2021 regarding the Office of Community Partnerships and Health Equity's webinar surrounding COVID-19, its impact on persons with disabilities and providers, and the vaccine.

Previous Quarter(s):

The Office for Citizens with Developmental Disabilities (OCDD) will host listening sessions on April 5th and April 8th to share plans for Home and Community Based Waiver Services after the COVID-19 Public Health Emergency ends, and to solicit feedback on those plans. OCDD will provide information on recent federal legislation and funding opportunities and solicited feedback on how the funds should be used from stakeholders. ([LaDDC News](#))

Proposed legislation ([House Bill 204](#)) by Representative Turner, if passed, would permanently continue some COVID exceptions including allowing a DSW to exceed 16 hours per day, allow for DSWs to reside in the same home as the person receiving services, and allow providers and support coordinators to conduct virtual check-ins and electronic signatures.

The Office for Citizens with Developmental Disabilities (OCDD) held a stakeholders' meeting on October 14, 2020 to discuss the ending of the home and community-based waiver exceptions (Appendix K) implemented in response to the COVID-19 pandemic. These exceptions were set to expire in January 2021, but the Centers for Medicare and Medicaid Services (CMS) approved extensions until at least July 2021. 3.4.2 Provide financial support to establish a Post-Secondary Inclusive Education Alliance to provide mentoring and technical assistance, host training events and develop resources designed to build the capacity of Louisiana postsecondary institutions in providing inclusive postsecondary education opportunities for individuals with intellectual and developmental disabilities throughout Louisiana.

**Approx. FFY 2021 Cost:
\$40,000**

Alliance members with established Post-Secondary Inclusive Education programs were requested to participate in the production of a promotional video to showcase participants in their programs. That video is expected to be released in July 2021.

Two (2) Alliance members attended the Multiple Perspective Think College Virtual Conference, and ten (10) members attended the Southeastern Post-Secondary Education Alliance Conference.

University of Louisiana at Monroe made contact with the Alliance and has begun the process to establish an inclusive program to be offered on their campus. McNeese State University has made also made initial contact with the Alliance to express interest, discuss these various programs, and the necessary process for establishment. Grambling State University is still attempting to get the appropriate approvals for an inclusive program to be offered on their campus.

Previous Quarter(s):

The Alliance has been strategically planning for Spring and Summer 2021 projects to include the following:

1. A monthly newsletter will be developed focusing on a variety of topics throughout Spring/Summer 2021:
 - Interviews with established Post-Secondary Programs in Louisiana
 - Updates on how Alliance is dealing with COVID-19 restrictions
 - Day-to-day challenges in running a Post-Secondary Inclusive Transition Program
 - Updated FAQs section
 - Featured state programs
 - Resources
2. Southeastern University of LA will spearhead a Zoom meeting schedule across the state to recruit for the Alliance and provide guidance for established programs, new programs, and for those interested in developing a program.
3. Set up training webinars for the Alliance.

Louisiana State University at Alexandria has successfully conducted fundraising and is on track to begin a pilot Post-secondary Inclusive Education program the Fall 2021 semester. Grambling State University is still in the process of submitting appropriate documents for grants to begin the development of an inclusive program on their campus.

<p>5.1.3 Provide funding to build the capacity of employment providers in customized employment in a manner which will lead to certification through a competency-based certification program. Approx. FFY 2020 Cost: \$50,000</p>	<p>Marc Gold & Associates conducted a virtual Discovery Gateway training event in April 2021. Twenty-five (25) Employment Support Professionals (ESPs) registered to attend, and 14 attended all of the required 6 days for this Gateway. Only 8 ESPs have chosen to pursue Certification Mentoring in Discovery and began that 16 week course on June 7th. Louisiana Rehabilitation Services has assisted in locating learning partners for the ESPs to participate in Certification Mentoring and subsequent training for Customized Employment. A Job Development Gateway training event will be conducted virtually by Marc Gold & Associates for 6 days in August 2021.</p> <p>Previous Quarter(s): From a previous class of five (5), there are 2 Employment Support Professionals (ESP's) still on track to complete Job Development Certification Mentoring through Marc Gold & Associates (MG&A). Due to COVID-19, MG&A will be conducting a virtual Discovery Gateway training for ESP's over the course of 6 half days during the month of April with subsequent virtual Certification Mentoring being offered by the Council for those interested after attending the Discovery Gateway. A virtual Job Development Gateway training is also intended to be scheduled in the same manner during late summer.</p> <p>Due to COVID-19, Marc Gold & Associates will not be able to offer certification for the Systematic Instruction component of Customized Employment. LSU-HDC has also encountered delays in their efforts to become training and certification providers in Customized Employment due to the pandemic. However, the contract with Arc of LA was renewed for this activity so that more Employment Support Professionals (ESPs) may participate in Discovery and Job Development Gateways and Certification mentoring. This will allow multiple ESPs to be ready to pursue certification in Systematic Instruction either once MG&A can provide certification again, or by LSU-HDC once they have completed their requirements to offer training and certification.</p> <p>On target: <input checked="" type="checkbox"/> Initiative <input checked="" type="checkbox"/> Expenditures</p>

5.3.3 Provide financial support to conduct seminars with Chambers of Commerce throughout the state on the benefits of hiring people with developmental disabilities.

**Approx. FFY 2021 Cost:
\$32,000**

The Council's listserv and social media accounts are utilized to advertise the inclusive employment webinars. Per recommendations from the Education/ Employment Committee, the route to the [inclusive employment webinars' site](#) was streamlined and placed in the banner of the [LaDDC homepage](#). Webinars were customized for all 10 regions throughout the state. Region 4 and Region 1/10 are scheduled to occur in July 2021. Completed webinars may still be accessed as they are recorded webinars and available on the inclusive employment webinars' [site](#).

Previous Quarter(s):

O'Neill Communications finalized *Working Together*, Louisiana's campaign to create inclusive employment opportunities for people with intellectual and developmental disabilities (I/DD) and to provide businesses and employers "how to" strategies for recruiting, hiring, and retaining these employees in an inclusive work environment. Ten, 60-minute webinars are planned in partnership with local chambers of commerce, Society for Human Resource Managers chapters, Louisiana Rehabilitation Services, and the LA Workforce Commission.

Webinars will be presented with the assistance of Jeff Arseneaux (Inclusive Employment Consultant, Entrepreneur with 30 years of management and distribution experience and recipient of Governor Jon Bel Edwards' 2019 Ken Vince Memorial Award).

Regions 2, 3, 7, and 8 are finalized and being held in April and May with registration taking place now. The remaining regions (1/10, 4, 5, 6, 9) are still being scheduled as O'Neill Communications continues to communicate with those Chambers of Commerce. O'Neill Communications created a [site](#) for employers interested in registering for a webinar or anyone wanting to learn more about the *Working Together* campaign.

O'Neill Communications has conducted research and created the following documents:

- 1) Curriculum content for the employment seminars;
- 2) Initial outreach email/memo to potential partners at LDH, LRS, Governor's Office for Disability Affairs, Department of Labor/Workforce Commission, Disability Rights Louisiana and Louisiana Assistive Technology Access Network; and
- 3) Proposed Brand strategy with logo options, campaign description and background materials for distribution to partners and Council Members

O'Neill Communications intends to host two (2) seminars each month from March through July 2021 with all 10 regions of the state being covered.
