

Information Alert #3 New LaCAN Leader in Regions 1/10!

August 17, 2021

Please join us in welcoming Christina Martin as the new LaCAN Leader for Regions 1/10 (serving Jefferson, Orleans, Plaquemines, and St. Bernard Parishes).

Christina is the mother of three daughters and one son. One of her daughters was diagnosed with Global Developmental Delay at 18 months old and later received a dual diagnosis of CTNNB1 Syndrome and Autism. Since her daughter's diagnosis, Christina has been on a mission to help make the world a better, more inclusive place for all individuals with disabilities.

Christina is very passionate about systems change advocacy. During the 2020 Legislative Session, she and other advocates played an integral role in advocating for HB317 ([now Act 137 of the 2020 Legislative Session](#)). Since then, she has continued to look for other opportunities to create systems change, which led her to LaCAN.

Feel free to reach out to Christina to get to know her, share a little about yourself and find out how to get more involved in LaCAN. Christina's contact information, as well as the information for all of the LaCAN Leaders, can be found [here](#).
