October 13, 2021

As part of its state planning process, Louisiana Rehabilitation Services (LRS) is conducting a Statewide Needs Assessment and is looking for feedback from you! A survey has been created to help LRS gather valuable information about the needs of individuals with disabilities in the state, especially as it relates to employment. The information and feedback you provide will be used to drive the department's goals and strategies over the next three years and help LRS improve service delivery.

Take the survey here: https://www.surveymonkey.com/r/LRS_Needs_Survey

Those interested in participating in the survey have until *Friday, November 12th*, to submit their feedback. Additional questions or comments should be submitted to LRS_Survey@lwc.la.gov.
