

## LDOE Seeking Input on IDEA Application Development

February 17, 2022

All students deserve an education that prepares them for postsecondary success and a lifetime of unlimited opportunity. To ensure students with disabilities are supported in this endeavor, the Louisiana Department of Education (LDOE) submits a grant application annually to the U.S. Department of Education for state set aside funding through the Individuals with Disabilities Education Act (IDEA). The LDOE is seeking feedback from members of various Special Education stakeholder communities, which will help the LDOE better understand what activities the public views as important as it develops the comprehensive IDEA grant application for Federal Fiscal Year (FFY) 22.

Those interested in sharing their feedback with the LDOE should complete this [survey](#) by **Friday, March 11, 2022**. The survey should take no more than five minutes to complete and does not request any personally identifiable information.
