

## Supported Decision-Making: Right to Make Choices Trainings and Webinars

April 25, 2022

**Training opportunities are being offered statewide to adults with intellectual and developmental disabilities (I/DD) and their family members to increase their understanding of Supported Decision Making (SDM), also known as the Dustin Gary Act.**

Take advantage of this incredible opportunity to receive valuable information on a new, least restrictive option now available in Louisiana! These training events are provided through a partnership between the Council and The Arc of Louisiana. Each statewide training is free to attend, but registration is required. Sessions will be held virtually for added convenience.

The first training kicked off in March, but there are 4 more opportunities to attend. Each participant will receive a detailed SDM handbook with tips and strategies to get started. Also, two individuals with I/DD will be chosen to receive mentoring throughout the entire SDM process.

A list of upcoming trainings and links to registration can be found below. As additional trainings are scheduled, the Council's [web-page](#) will be updated with dates, times, locations and registration details.

For more information or questions about these trainings, please reach out to Ashley McReynolds at [amcreynolds@thearcla.org](mailto:amcreynolds@thearcla.org) or 225-383-1033.
