

Information Alert #1: The DD Council needs to hear from you!

July 13, 2022

The Louisiana Developmental Disabilities Council (Council) will determine its 2023 Legislative Advocacy Agenda in October. The Council wants to hear your ideas and recommendations of issues impacting people with developmental disabilities for consideration as priorities for the Council's 2023 Legislative Advocacy Agenda.

Let your voice be heard by participating in your regional LaCAN membership and community input meeting! Each regional LaCAN leader is hosting membership meetings to:

- Recap the 2022 Legislative Session;
- Get your input on issues to be considered by the Council for its 2023 Legislative Advocacy Agenda; and,
- Meet with fellow self-advocates, parents, and other LaCAN members.

Take advantage of this incredible opportunity to receive valuable information about LaCAN accomplishments during the 2022 session and have your voice heard by sharing your ideas about what the Council should consider for its 2023 Legislative Advocacy Agenda. Meetings are free to attend and information will be shared on the Council's [website](#), [Facebook](#) and [Twitter](#) pages as scheduled.

If you have any questions or would like to RSVP for your regional meeting, or if you are not able to attend but want to make sure your recommendations are heard, please [contact](#) your regional LaCAN leader by phone and/or email.
