

## LDOE IDEA Grant Application out for Public Comment

March 31, 2023

The Louisiana Department of Education (LDOE) is letting the public know it intends to seek approval from the U.S Department of Education for their Fiscal Year 2023 Individuals with Disabilities Education Act (IDEA) grant application.

All students deserve an education that prepares them for postsecondary success and a lifetime of unlimited opportunity. To ensure students with disabilities are supported in their journey, the LDOE submits a grant application every year to the U.S. Department of Education for state set aside funding through IDEA. The LDOE is required to actively engage and seek input from the public and other community stakeholders during this application process.

Their grant application draft can be found [here](#). Additionally, a description of the proposed activities with the corresponding funding can be found [here](#).

Those interested in providing public comment should complete this [form](#) by **Friday, April 21, 2023**.
