

Self Determination and Community Inclusion Committee

The Self Determination and Community Inclusion Committee recommends the following be provided to the FY 2024 Planning Committee for consideration:

1. Under Objective 1.1, establish an initiative to educate and train individuals with intellectual and developmental disabilities on voting awareness
2. Under Objective 1.1, continue current initiatives (providing consistent positive feedback throughout FY23) including:
 - a. Activity 1.1.5 – Videos and Visuals and ensure videos specific to voting and accessibility
 - b. Activity 1.1.6 – Supported Decision Making Training
3. Under Objective 2.2, continue current initiatives (providing consistent positive feedback throughout FY23) including:
 - a. Activity 2.2.1 – First Responder Training
 - b. Activity 2.2.2 – Emergency Preparedness and Response Training

Education and Employment Committee

The Education and Employment Committee did not have any recommendations for the FY 2024 Planning Committee to consider. However, after discussion during the January 2023 Full Council meeting, the Council recommends the following to be provided to FY 2024 Planning Committee for consideration:

Ideas for Education and Employment Activities (Objectives 3.1 and 3.2)

1. Add an activity to contract with an entity that could assist with building the capacity for advocacy regarding education and employment.
