

Survey of Louisiana Parents/Guardians of Children Receiving Special Education Services

May 13, 2023

The Louisiana Legislative Auditor's Office is conducting a survey to obtain feedback from the parents and/or guardians of students with disabilities as part of a performance audit of the Louisiana Department of Education's (LDOE) oversight of special education services. They will use the results of this survey to evaluate LDOE's oversight, understand the challenges facing LDOE, and make recommendations on how LDOE can improve.

All of the survey responses are **confidential**. The Louisiana Legislative Auditor's Office has stated that they may publish select quotes or summarized information from the survey, but they will not disclose the identity of any respondent or school system to the public or to LDOE.

The survey should take approximately 20 minutes to complete. Please complete the survey by **Friday, May 19, 2023**. If you have any problems with the survey or have additional comments you would like to share, please contact Misty Perry at mperry@lla.la.gov or 225-339-3869.
