

**State Personal Assistance Program (SPAS)  
Quarterly and Cumulative Report FY 22-23  
Project Period: July 1, 2022 – June 30, 2023**

One of the primary principles on which the SPAS program was founded is that adults with disabilities should be allowed to make decisions and live in typical homes and communities where they can exercise their full rights and responsibilities as citizens. Based on this principle, the SPAS program for the FY 2022-2023 is administered as follows:

**Demographics of Consumers**
