Amina Mitchell: Governor's Fellow working with GODA

Amina Mitchell is from Dallas, Texas, and is a junior at Southern University and A&M College majoring in Rehabilitation Services. Amina was born hard of hearing and wear bilateral hearing aids to hear. Throughout her time at this university, she has been involved in several organizations, such as First Year Experience/ University College Ambassador, NAACP, Mental Milestone Association, SUSRA (Southern University Student Rehabilitation Association), Top Jags, and ASL on The Bluff. She's the founder and current president of ASL on The Bluff, an American Sign Language organization on Southern's campus, which aims to give students the opportunity to learn American Sign Language. Amina's main focus as a GODA fellow is to help make accommodations more readily available in a school setting, with special attention paid to higher education.
