

Information Alert #3: DD Council Needs to Hear from You!

July 13, 2023

Every October, the Louisiana Developmental Disabilities Council (Council) determines its Legislative Advocacy Agenda. Your feedback is important, and the Council wants to hear your ideas and recommendations as they prepare their upcoming advocacy agenda!

Let your voice be heard by participating in your regional LaCAN membership and community input meetings! Each regional LaCAN leader is hosting membership meetings to:

- Recap the 2023 Legislative Session;
- Get your input on issues to be considered by the Council for its 2024 Legislative Advocacy Agenda; and,
- Meet with fellow self-advocates, parents, and other LaCAN members.

Take advantage of this incredible opportunity to receive valuable information about LaCAN accomplishments during the 2023 Legislative Session and have your voice heard by sharing your ideas and recommendations. Meetings are free to attend and meeting information will be shared on the Council's [website](#) and [Facebook](#) pages as scheduled.

If you have any questions or would like to RSVP for your regional meeting, or if you are not able to attend but want to make sure your recommendations are heard, please [contact](#) your regional LaCAN leader by phone and/or email.
