

Council Continues Video Series: *Fully Included* “How-To Guides”

September 15, 2023

The Louisiana Developmental Disabilities Council is excited to premiere its third season of videos in the series, *Fully Included: Empowering Louisiana’s Disability Community!*

Unlike the first two seasons of videos, which provided general information, this season will focus more on how-to guides. This season will be a learning series to navigate topics important to you, such as Individual Education Plans (IEPs), Waivers, Supported Decision Making, and more. Each video also has a clickable infographic with additional resources that include more information on that video’s topic. To view upcoming infographics and additional resources, make sure you are following our Facebook page.

New episodes will be released on the Council’s [Facebook page](#) and [YouTube Channel](#). The first episode, *Supported Decision Making*, is available for viewing now! [Click here](#) to view it!
