These activities are structured to plan and implement activities prior to an emergency, during the emergency and post emergency for expedient recovery for the constituents and the state.

GOEA serves as an effective and visible advocate for the elderly population of Louisiana, ensuring seniors in need receive appropriate services from providers in the Aging Network.

GOEA's Executive Director, Shirley Merrick retired as of 1/8/2024. Our new director is Mrs. Amanda Smith who was GOEA's Legal Counsel. As most of you know, with a new Executive Director things will most likely be accomplished differently. Mrs. Smith is currently transitioning into her new position and has set up meetings with the management staff. GOEA looks forward to the new direction the agency will be heading.
