

## Post-secondary Inclusive Education Advisory Council Public Meeting Notice

April 2, 2024

The Post-secondary Inclusive Education Advisory Council created by [Act 682](#) of the 2022 Legislative Session will be hosting meetings to discuss the creation and expansion of post-secondary and inclusive education programs across the state of Louisiana. The DD Council encourages all stakeholders to participate in these public meetings to share their thoughts and ideas on how the post-secondary education system can better serve students with intellectual and developmental disabilities. Information about the next meeting can be found below.

According to Act 682, the Advisory Council's duties include:

- Identifying existing post-secondary inclusive education programs capable of providing technical assistance to institutions looking to create or expand their own inclusive programs,
- Developing a method to provide grants for such technical support,
- Developing an annual application process for public post-secondary institutions to request funding needed to establish or expand inclusive programs,
- Reviewing applications and determining how much funding to distribute to each program and
- Determining a method(s) to distribute information about inclusive programs to students and families.
