## Survey on Empowering Individuals with I/DD

November 13, 2024

The Louisiana Developmental Disabilities Council has partnered with Team Dynamics to support an important project focused on ensuring individuals with intellectual and developmental disabilities (I/DD) have the support and resources needed to transition to adulthood. Team Dynamics is still accepting responses to their survey on Innovative Pathways to Empowerment for the Transition to Adulthood.

The feedback received will be used to identify skills, knowledge, and resources that can best empower individuals with I/DD to navigate adult life successfully. Individuals with I/DD preparing for or having gone through transition, their family members, and caregivers are encouraged to take this opportunity to provide valuable input on this project.

Upcoming workshops will be developed and offered in five locations across the state. The number of responses from different areas of the state will determine which topics and locations will be selected. Share your thoughts and experiences to make a difference!
