## Input Survey on Taking Action Against Abuse

January 28, 2025

The Louisiana Developmental Disabilities Council has partnered with Team Dynamics to support an important project focused on Taking Action Against Abuse. Team Dynamics has created a volunteer survey to collect information and input from individuals with intellectual and developmental disabilities (I/DD), their family members, and caregivers.

The purpose of this survey is to learn more about your perspectives on recognizing and responding to abuse and neglect within the disability community. Your collaboration will help Team Dynamics create materials for upcoming trainings around this issue.

Your responses are completely anonymous, and you can skip any questions you are not comfortable answering.
