Public Input Survey for Planning

February 25, 2025

The Louisiana Developmental Disabilities Council (Council) is in the process of planning activities for the upcoming fiscal year. At our January Council meeting, Council members and members of the public provided input on possible activities for Fiscal Year 26 which begins October 1, 2025.

Over the years, the Council has received numerous suggestions and requests for trainings, specific to teens, on sexual education, development and relationships. We have created a volunteer survey to get your feedback on a potential training activity related to this need. The purpose of this survey is to see if there is interest in an inclusive training that would educate teens and their caregivers as they mature into adulthood.

Your responses will remain anonymous, which means no one will know your name. You do not have to answer any question that makes you uncomfortable. This survey should take no more than 5 minutes.

Please complete the survey before **March 14, 2025**. Take the survey here: <https://www.surveymonkey.com/r/JTRCSYH>

Thank you for being part of this important conversation!
