Fetal Alcohol Spectrum Disorder (FASD) Training Opportunity

March 5, 2025

The Louisiana Developmental Disabilities Council has partnered with LSU Human Development Center to conduct Fetal Alcohol Spectrum Disorder (FASD) trainings Department of Children and Family Services (DCFS) for social workers foster/ adoptive parents. Attendees will:

- Understand the brain differences in FASD,
- Explore practices in the field to support prevention, policy, awareness, and family support for FASD, and
- Understand best practices and supports for the home, school, and community environment for those affected by FASD

The first two trainings will be held in Lafayette, Louisiana. More information about the training can be found in the flyer below. To register for one of these free trainings, click [HERE](#). Individuals interested in attending the trainings who are not employed by DCFS will need to create a Moodle account before registering.

For questions or more information about these trainings, please contact Dr. Krista James at kjames@lsuhsc.edu.

Fetal Alcohol Spectrum Disorders (FASD) Training

LAFAYETTE REGION

Training offered on two dates:

- 1 March 12, 2025 from 5:30 – 7:30 PM
 - 2 March 13, 2025 from 10:00 AM-12:00 PM
- 📍 Our Saviors Church – Midtown Campus
101 Marie Antoinette Lafayette, LA 70506
(Parking lot in back of building)

FASD is an umbrella term describing the range of effects that can occur in an individual exposed to alcohol in the womb.

These effects may include physical, mental, behavioral, and/or learning disabilities with lifelong implications.

TARGETED PARTICIPANTS:

All professional DCFS Child Welfare staff and foster or relative caregivers.

REGISTRATION:

- 1 Registration is done in the DCFS Moodle:
<https://moodle.lcwta.org/>
Non-DCFS attendees will need to create a Moodle account to enroll.
- 2 Then enroll in the Moodle course

PRESENTER:

Krista James, Ph.D

Director of FASD Initiatives, LSUHNO Human Development Center

OBJECTIVES:

Understand the brain differences in FASD and the impacts to learning and health.

Explore practices in the field to support prevention, policy, awareness, and family support for FASD.

Understand best practices and supports for the home, school, and community environment for those affected by FASD.

TRAINING HOURS:

This training is approved for 2 Child Welfare Training Hours.

The FASD Trainings are funded by the Human Development Center at LSU Health New Orleans and the Louisiana Developmental Disabilities Council.
