## Council Seeks Public Input for FFY 2027 - 2031 Five-Year Plan

April 17, 2025

The Louisiana Developmental Disabilities Council is creating its next Five-Year Plan for 2027–2031. This plan will guide the Council’s work to improve services and supports for people with intellectual and developmental disabilities (I/DD).

We want to hear from people with I/DD, their families, and anyone who cares about making Louisiana more inclusive.

Please join us at one of our Public Forums to share your ideas on what needs to change and what’s most important. These events are being held with our partners at Disability Rights Louisiana and the LSU Human Development Center.

These forums are free to attend, but you must register by May 1, 2025. Click on the link of the location below to register.
