

## Navigating the System Co-Occurring Disorders Training Opportunity

May 12, 2025

The Louisiana Developmental Disabilities Council is teaming up with The Arc of Louisiana to teach people about how to use Louisiana's complex service system more easily. The training is open to everyone, but it's especially for people with intellectual and developmental disabilities (I/DD) and their families.

At the training, you will learn:

- How to remove problems that make it hard to get services
- How to find missing services
- How to improve the system for people with I/DD and Behavioral Health needs

Don't miss this chance to learn more about the support systems available!

The next training will be in Baton Rouge, Louisiana. You can sign up for the free training by scanning the QR code on the flyer below or by clicking [here](#). If you need more information or have questions, please contact Ashley McReynolds at [amcreynolds@thearcla.org](mailto:amcreynolds@thearcla.org).
