

REMINDER

National Core Indicators Survey

June 24, 2025

The **Office for Citizens with Developmental Disabilities** (OCDD) is working with a group called **Qlarant Quality Solutions** to hear from families and people with disabilities about their services. This helps Louisiana learn what is working and what needs to improve. OCDD is still asking for your help with an **important survey**:

Child Family Survey (CFS)

- Mailed to **families who have a child under age 18**
- The child must live at home and receive **OCDD services**
- The survey comes with a **prepaid envelope** so you can mail it back easily
- It is **anonymous** – no names are used
- The survey lets you share how you feel about the services your child and family receive
- You got a letter from **Bernard Brown, OCDD Deputy Assistant Secretary** with the survey

If you received this survey, please fill it out and mail it back with the prepaid envelope!

The deadline for this survey is June 30, 2025.

If you have questions or can't find the survey mailed to you, **please contact** Ebenzer Ogunyinka at Ebenezer.Ogunyinka@la.gov.

If you would like to learn more about the National Core Indicators (NCI) and how it is used to improve quality supports for people with intellectual and developmental disabilities, check out the [NCI website](#).
