

Fetal Alcohol Spectrum Disorders (FASD) Training

BATON ROUGE REGION

Training offered on two different dates:

- 1 May 28, 2025 at 1:00 PM - 3:00 PM
- 2 May 28, 2025 at 5:30 PM - 7:30 PM

 The Family Youth Service
Blue Auditorium
1120 Government Street
Baton Rouge, LA 70802

FASD is an umbrella term describing the range of effects that can occur in an individual exposed to alcohol in the womb.

These effects may include physical, mental, behavioral, and/or learning disabilities with lifelong implications.

TARGETED PARTICIPANTS:

- DCFS Child Welfare staff
- Foster or relative caregivers
- Interested community partners

REGISTRATION:

- 1 Sign-in to the DCFS Moodle : <https://moodle.lcwta.org/>

- 2 Once signed-in, this link will take you to the course registration: <https://moodle.lcwta.org/course/view.php?id=287>

PRESENTER:

Krista James, Ph.D

Director of FASD Initiatives, LSUHNO Human Development Center

OBJECTIVES:

Understand the brain differences in FASD and the impacts to learning and health.

Explore practices in the field to support prevention, policy, awareness, and family support for FASD.

Understand best practices and supports for the home, school, and community environment for those affected by FASD.

TRAINING HOURS:

This training is approved for 2 Child Welfare Training Hours and 2 General Social Work CEUs.

The FASD Trainings are funded by the Human Development Center at LSU Health New Orleans and the Louisiana Developmental Disabilities Council.
