<p>2.5.1 Oversee implementation of the Community and Family Support System Plan and advocate for adequate funding, the expansion of services, and consistent implementation of policy across regions, including, if necessary, changes in law and/or contracts with local governing entities (LGE's).</p>	<p>The Council's legislative agenda as it relates to home and community-based (HCBS) service rates and Direct Service Worker (DSW) pay was updated to include a base starting pay for DSWs of at least \$8.65 per hour. An updated fact sheet was developed and shared with stakeholders statewide. The Council's legislative agenda was also shared across the state at LaCAN Legislative Roundtables and in individual meetings and communications with legislators and other stakeholders. Additional funding for FHF Centers and increased rates was not included in the governor's executive budget proposal.</p> <p>The Act 421 Children's Medicaid Option program stakeholder group continues to meet regularly to discuss the systems programming, policy development, and other program details. LDH is still awaiting approval from CMS. The department originally planned, pending approval from CMS, to open registration up in April 2021 with a program implementation date of May 2021. This timeline has been delayed. LDH has developed a website for stakeholders to view more information about this program.</p> <p>Previous Quarter(s): A fact sheet about the need for additional funding for the Families Helping Families Resource Centers and a two dollar increase in the base pay rate of Direct Support Professionals was developed and shared with stakeholders. The Act 421 Children's Medicaid Option program application was submitted September 1, 2020.</p> <p>On target: <input checked="" type="checkbox"/> Initiative</p>
<p>Obj. 2.6 Louisiana will reduce reliance on institutional services for people with developmental disabilities.</p>	
<p>2.6.1 Advocate for utilization of the ROW 50 pilot and other opportunities to transition out of institutional settings.</p>	<p>No activity this quarter.</p> <p>On target: <input type="checkbox"/> Initiative</p>
<p>Obj. 2.7 Individuals with developmental disabilities will benefit from changes, consistent with Council positions, in policy and practice in state and local agencies and programs.</p>

<p>2.7.1 Advocate for systems change based on emergent community support issues.</p>	<p>No activity this quarter.</p> <p>Previous Quarter(s): Council staff continues to participate in meetings with Emergency Management Disability and Aged Coalition in efforts to respond to COVID-19 and multiple natural disasters.</p>
<p>2.7.2 Provide financial support for promotion, awareness, training and support in implementation of Supported Decision Making.</p> <p>Approx. FFY 2021 Cost: \$50,000</p>	<p>The Arc of Louisiana continues to offer statewide regional training events for adults with intellectual and developmental disabilities and their family members to increase their understanding of Supported Decision Making (SDM), also known as the Dustin Gary Act of the 2020 Louisiana legislative session, and other legal options available in Louisiana.</p> <p>A training schedule and registration information can be found here. The site will be updated as more trainings are scheduled. Due to the COVID-19 pandemic, the training events will be held via online webinars rather than in-person at this time.</p> <p>As of April 2021, four trainings have occurred with 71 participants in attendance. Additionally, three self-advocates are being mentored through the entire Supported Decision-Making process.</p> <p>Previous Quarter(s): Training schedules will be shared with all FHF Centers, People First of LA and Disability Rights LA. The Arc of LA and the DD Council (through websites and social media) are providing promotion of these events. As of December 23, 2020, three (3) trainings have been scheduled. The site will be updated as more trainings are scheduled.</p> <p>On target: <input checked="" type="checkbox"/> Initiative <input checked="" type="checkbox"/> Expenditures</p>

<p>2.7.3 Provide financial support to establish pilot programs in multiple regions across the state on first-responder tactics, approaches and resources in fostering relationships with and dealing with individuals with developmental disabilities and training for people with developmental disabilities on how to interact with first responders.</p> <p>Approx. FFY 2021 Cost: \$50,000</p>	<p>Interaction Advisory Group (IAG) conducts virtual training sessions for First Responder Professionals routinely scheduled for the first Thursday of every month. These trainings began on January 12th and will continue through September 2021. IAG has been requested by multiple agencies to provide this training to entire forces, which include law enforcement agencies, Attorney General offices, and EMT agencies. Due to this overwhelming response, IAG conducted an additional training for First Responders in March at no cost to the DD Council. As of March 30th, 60 professionals have attended these trainings. IAG also conducted a community training event for Louisiana residents in February with the next public training event occurring on April 19th. IAG continues to collaborate with Families Helping Families, Autism Society of LA, and other appropriate entities to help with community participation in the public events, and through those contacts has a self-advocate help with the presentation during the training sessions for both the First Responder Professionals and public community events.</p> <p>Previous Quarter(s): Interaction Advisory Group developed a training plan to begin with the Bossier Parish Sheriff's Office and to quickly spread training throughout the state each month. Throughout November and December, IAG contacted "Families Helping Families" as well as multiple autism affiliates across the state of LA and have been in discussion with them about assisting IAG with self-advocate participation within first responder trainings and community trainings.</p>
<p>2.7.4 Provide financial support to establish a training program on emergency preparedness and response relative to people with developmental disabilities</p> <p>Approx. FFY 2021 Cost: \$20,000</p>	<p>Outreach with appropriate emergency management entities has been marginally more successful since the last quarterly report. An introductory webinar was developed specifically for LA that will highlight the intentions and full program to be delivered. The first of these webinars was conducted on March 30, 2021, which had 55 registrants. Since the DDC was not able to advertise this webinar timely, additional introductory webinars have been scheduled for April 29th and May 5th, 2021.</p> <p>Previous Quarter(s): Niagara University has been identifying key stakeholders and establishing connections with disability organizations and emergency planning/preparedness/response entities statewide. The contractor reports that responses to these outreach attempts have been minimal. Their initial review of processes implemented in LA revealed a lack of representation from the disability community in planning, preparedness, response, and recovery.</p>

<p>2.8.2 Advocate for waivers to provide access to services listed in the Freedom of Choice Provider Listing, continue exemptions and flexibilities initiated with COVID-19; and consider individualized emergency preparedness considerations for people with severe disabilities and medical issues.</p>	<p>The Office for Citizens with Developmental Disabilities (OCDD) will host listening sessions on April 5th and April 8th to share plans for Home and Community Based Waiver Services after the COVID-19 Public Health Emergency ends, and to solicit feedback on those plans. OCDD will provide information on recent federal legislation and funding opportunities and solicited feedback on how the funds should be used from stakeholders. (LaDDC News)</p> <p>Proposed legislation (House Bill 204) by Representative Turner, if passed, would permanently continue some COVID exceptions including allowing a DSW to exceed 16 hours per day, allow for DSWs to reside in the same home as the person receiving services, and allow providers and support coordinators to conduct virtual check-ins and electronic signatures.</p> <p>Previous Quarter(s): The Office for Citizens with Developmental Disabilities (OCDD) held a stakeholders' meeting on October 14, 2020 to discuss the ending of the home and community-based waiver exceptions (Appendix K) implemented in response to the COVID-19 pandemic. These exceptions were set to expire in January 2021, but the Centers for Medicare and Medicaid Services (CMS) approved extensions until at least July 2021. More information can be found in the LaDDC News sent on December 23, 2020.</p>
<p>Obj. 2.9 Individuals with developmental disabilities and their families will have information and training on sexuality, sexual abuse and exploitation.</p>	<p>On target: <input checked="" type="checkbox"/> Initiative</p>

Page 15 of 22

<p>2.9.1 Provide financial support for training on sexuality and relationships and to build awareness and skills with recognizing and handling sexual abuse and exploitation of people with developmental disabilities and publicize available webinars on these topics.</p> <p>Approximate FFY 2021 Cost: \$55,000</p>	<p>Training schedule, location, registration and links to other informational webinars can be found here. As of March 2020, three training events have occurred with 14 self-advocates and 46 family members/caregivers in attendance. Due to COVID restrictions, trainings are being offered virtually via Zoom.</p> <p>Previous Quarter(s): Contract initiated with Team Dynamics, LLC. to offer training events statewide to increase adult self-advocates and their family members' understanding of healthy and unhealthy relationships and issues that lead to and ways to prevent sexual abuse and exploitation of individuals with disabilities. LaDDC News sent on December 21, 2020 to advertise upcoming initiative and scheduled trainings. Training schedule, location, registration and links to other informational webinars can be found here.</p>
<p>Goal 3 Students with disabilities will have access to quality, individualized educational programs that address their unique skills, interests, and goals in inclusive environments.</p>	
	<p>Obj. 3.1 Individualized Education Plan (IEP) team members will have increased levels of information and support to demonstrate effective individualized programming consistent with best practice and to enable each member to participate fully as members of the IEP team.</p>
<p>3.1.1 Advocate for increased focus and capacity within LDOE to address Special Education, including specific areas/issues (i.e., disability/topical/etc.)</p>	<p>Council Chair and staff participated in a meeting with the Louisiana School Board Association to discuss cameras in special education classrooms upon request. LSBA indicated that they could not fully support this advocacy agenda without statistical data demonstrating the need for this item.</p>

<p>5.1.3 Provide funding to build the capacity of employment providers in customized employment in a manner which will lead to certification through a competency-based certification program.</p> <p>Approx. FFY 2020 Cost: \$50,000</p>	<p>From a previous class of five (5), there are 2 Employment Support Professionals (ESP's) still on track to complete Job Development Certification Mentoring through Marc Gold & Associates (MG&A). Due to COVID-19, MG&A will be conducting a virtual Discovery Gateway training for ESP's over the course of 6 half days during the month of April with subsequent virtual Certification Mentoring being offered by the Council for those interested after attending the Discovery Gateway. A virtual Job Development Gateway training is also intended to be scheduled in the same manner during late summer.</p> <p>Previous Quarter(s): Due to COVID-19, Marc Gold & Associates will not be able to offer certification for the Systematic Instruction component of Customized Employment. LSU-HDC has also encountered delays in their efforts to become training and certification providers in Customized Employment due to the pandemic. However, the contract with Arc of LA was renewed for this activity so that more Employment Support Professionals (ESPs) may participate in Discovery and Job Development Gateways and Certification mentoring. This will allow multiple ESPs to be ready to pursue certification in Systematic Instruction either once MG&A can provide certification again, or by LSU-HDC once they have completed their requirements to offer training and certification.</p> <p>On target: <input checked="" type="checkbox"/> Initiative <input type="checkbox"/> Expenditures</p>
